

TOWN OF OSCEOLA

Polk County, Wisconsin

www.townofosceola.com
treasurer@townofosceola.com

Pay your property taxes online through this website via the link below.

Current Taxes: This service can only be used from December 15th to January 31st to pay taxes. Any property taxes paid by February 1st or later must be paid to the county treasurer.

Convenience

Enjoy the convenience of credit card and e-check payments for taxes. In cooperation with the Town of Osceola Treasurer, Point and Pay offers individuals and businesses the opportunity to pay taxes directly over the Internet or in the treasurer's office.

Proven Safe and Reliable

This service is safe, reliable, and in accordance with all state and government regulations. In order to process your payment, Official Payments Corporation, the credit card service provider, debit Visa cards will be charged a flat fee of **\$3.95**. All credit cards and Mastercard debit cards are charged a fee of 2.39%. E-checks are charged a flat fee of \$1.50. The fees are kept by Point and Pay. The Town of Osceola **does not** receive any portion of the convenience fees.

There will be a two- to three-day delay between making the payment online and the town receipting it into our tax system. We do go by the date/time stamp created when the payment is made, not when the funds are received in our office.

Easy Payment via Internet

To pay by Internet:

Use [Town of Osceola Point & Pay Website](#) to pay taxes over the Internet. Follow the directions and please contact us with any questions!

You will be asked to enter information such as:

- The parcel identification number (include the hyphen)
- Your credit card or debit card information

The system will:

- Tell you the total of your payment, including the convenience fee
- Obtain approval of the charge
- Provide you with a confirmation number. Be sure to write down your confirmation number as a record of your payment. The charge will also appear on your credit card statement: the tax amount on one line, the convenience fee amount on a separate line.
