 - Pulverizing:
 - Paving:
 - 60th Ave 1 mile
 - pulverizing in the will be done in the next two weeks
 - Dwight Court .08 miles & Dwight Lane .61 miles (next year)
 - Shouldering: 4.43 miles
 - Have started some
 - Line Stripping: 4.57 miles
 - Wedging:
 - Culverts
 - (4) culverts on 60th Ave- completed
 - Need to add additional fill due to settling
 - Stripping:
- Discussion on patching on repairing potholes as needed.
 - Have applied 600 gallons so far to potholes and cracks
- Ditch moving / brush trimming:
 - Buzz head seal went out hope to have it fixed
 - Still waiting on parts
- Trees:
 - Picking up trees in ditches as required:
- Sand / salt shed is low. We will need to get a couple more loads of salt.
 - About 3 loads left.
 - Most road intersections have been swept.
- Town resident was in meeting and request that red cedar trees be removed from ditches near 100th Ave and 248th street
- Phaser Road Ratings:
- Road Grants:
- Parks and Boat Landing
 - Need to rebuild poplar lake dock- completed
 - Install docks end of April- completed
 - Have installed toilets / trash cans at landings

- Speed sign
 - Will install sign on 210th to get roads counts

Equipment:

- One ton truck dump:
 - Discussion of potential future upgrade of one-ton truck. Possibly in 2028
- Old Mack Truck
 - Should replace steering tires in fall of 2026: \$2,000.
 - Need to fix wipers with winter service
- New Mack dump truck.
 - Need to fix cameras issues- waiting on parts
- International Truck
 - Placed on Facebook marketplace to sell truck
- Backhoe
 - No concerns
- Road Grader
 - Borrowed stinger bit blade to rework some gravel roads
- Spray Patcher:
 - Making minor corrections / upgrades to truck
- Tractor
 -
- Working on building a Haygelman sidearm for mower. (This will allow the tractor to stay on the road and move the mower into the ditch.)
 - Todd is testing out the attachment and finishing hydraulic connections
- Radio
 - New radios still are not programmed properly.
- Training
 - Todd will be attending WTA road training school in April 26-28

Discussion about the current Public Works budget:

- Look at purchasing new seasonal weight limit signs will do this at end of year if budget allows.
- Todd talked to DNR about installing new culvert on 200th Street- send pictures to DNR of spring runoff. I will respond back to resident

Next Public Works Committee Meeting –May 14, 2026
